

# OPENING PROCEDURES SIGNS & POSTERS

Post these signs INSIDE, near the entrance to the voting room. They should be visible to voters waiting in line to check-in.

- **Attention All Voters** signs. Post all languages together.
- **Sample ballots** (2 sets of front and back of ballot). Post one set near the voting room entrance and one set inside the voting room on the way to the check-in table.
- **DS200 and ExpressVote** instructions posters.
- **Voter Rights and Responsibilities** posters. Post all languages together.

Post these additional signs INSIDE the voting room.

- Post additional signs as needed, such as ARROWS, ENTRANCE, and EXIT to direct voters into the voting room and through the voting process without crossing paths with other voters.
- Post “Do you have your ID?” sign near exit – this really helps cut down on number of people who forget their IDs in the polling place!

# OPENING PROCEDURES SIGNS & POSTERS

Post these signs OUTSIDE the polling place near the building entrance.

- **Polling Place** sign(s) at the most visible site from road/parking lot.

- **Authorized Representatives** sign at outside entrance.
- Additional **polling place** signs (plastic signs on metal frames) on street corners or parking lot entrances as needed, especially if your polling place is difficult for new voters to locate.
- **Prohibited Activities** posters outside building the main entrance facing out toward oncoming voters and within the 40 foot boundary. Post all languages together.
- Post additional signs if needed, such as arrows to direct voters to voting entrance. This is especially important if you are not in your normal voting room.

Post these signs OUTSIDE near your curbside voting area.

- **Curbside voting** yellow sign where it is most visible near the designated curbside voting area or the accessible parking spaces.
- Attach the curbside phone number to the white slider with a small piece of clear tape and gently slide it into the pocket on the yellow A-frame curbside sign.
- As needed, post **alternate entrance** signs.
- As needed, establish additional **accessible parking** spaces close to your entrance.
- Place cones at reserved parking spaces, including accessible parking.
- Inspect exterior and interior pathways for obstacles.
